

## DONATIONS & SPONSORSHIPS

To Our Future Donors:

I am Amber Hutchinson and I am the founder of the Toronto Purple Fins Gender Free Swim Club - the first club of this kind.

Swimming, like many sports, is rooted in the gender binary. This often excludes or creates challenges for trans and non-binary folks due to technical limitations or lack of truly inclusive and safe sport spaces. Toronto Purple Fins was created to remove these barriers. We strive to create a judgment-free swimming space where all folks can swim together and be part of a team.

We currently have swimmers in the water and we're growing members every week. Despite this, significant financial barriers remain, and we need your support to continue offering quality service to this community.

Our top areas in need are:

1. Swimmer Sponsorships
  - Assisting folks facing financial barriers that impact their participation
2. Operational Costs
  - Facility rental fees and operating expenses

If you have any questions or if you wish to contribute, please reach out! I would be happy to provide you with more information about how you can help support our work at Toronto Purple Fins.

Sincerely,

Amber Hutchinson
